

Thornhill Seniors Club

**** MEMBERSHIP RENEWALS DUE ****

Chairman Jack MacKay's Message – August 2004

Our new Thornhill Seniors Centre opened in spectacular fashion, with celebrations from June 14 through 17. Thanks to the vision of the Thornhill Lions Club 30 years ago, the adjacent community halls ensure we have lots of space for new activities. Drop in Monday through Friday for coffee and conversation in the lounge; say hello to the volunteers manning the reception desk. Enjoy our new special place.

Membership renewals due ...

We have 1,056 paid-up members. But if your badge is the small cream-coloured one, it is good only until Aug 31 2004; **it is time to renew your \$20 membership for the 2004-2005 season (June 1 2004 - Aug 31 2005)**. Please don't wait until the last minute; drop in to the Centre with your current badge, pay the \$20 renewal fee, and pick up your 2004-2005 replacement. Please support your Club; much more work is required to provide programs for every interest.

Merger With The Golden 50's

We salute and officially welcome the Golden 50's Club. The Golden 50's Carpet Bowling becomes a program of our Club commencing in September – same name, same time, same place. This is the organization that has been the voice for Thornhill seniors for over 25 years. G50 on the membership badge identifies one of our pioneers; say thanks when you see one.

New Board of Directors to take office in September

President Jack MacKay, Vice-President Warren Carroll, Secretary Vivienne Hansford, Treasurer Ken Davis, Directors Lynda Bokhaut, Judy Cooke, Stan Daurio, Carol Eisenberg, Marg Jones, Mary Muir, and Shirley Schaefer. Hats off to the outgoing Directors who accomplished so much so quickly. **We still need a Director of Kitchen Operations, to plan and coordinate the efforts of kitchen volunteers.**

Wear your membership badge

For security of members and property, it is important that you wear your membership badge when in the Centre. If you forget your badge, you can obtain a returnable one at reception for a quarter. If you've lost your 2004-2005 badge, you can obtain a replacement for \$1. Loss of your 2003-2004 badge requires membership renewal. Please report anyone not wearing a badge to reception.

Tours

The CasinoRama tour provided a day of entertainment in July for just \$5; the Shaw Festival and Queens Landing lunch for \$98 is sold out. Drop in to sign up for other tours on Sep 9 and 30, Oct 15, and others in Nov, Dec, and Feb. We are hoping to have a permanent travel desk soon.

Calling All Hockey Players 60+

We have free ice Wednesday mornings; we have a Convenor; we just need more players. Please call us to register your interest in being part of the new program.

Internet Café Now Available

Drop in to the internet café in the library 10am-3pm any weekday, and use the computers there for e-mail, internet access etc. And we invite anyone who would like coaching on the fundamentals of e-mail and internet access, and **anyone who would like to show others how to use e-mail and internet access** to drop in Tue or Thu 10am-12pm.

Website

Check out our new website at www.TSClub.ca for programs, tours, bulletins, special lunches and other events, newsletters, history, pictures, etc.
